Last I had was this:

cell is (b)(6)
Thanks John

If you could coordinate and include Mr. DiZinno that would be nice as it would limit disturbances to Mr. Horton to a minimum
Thanks!

Pete,
I do not have a cell phone number for John or Terry.
Their email address is hortonironmetal@bellsouth.net if this helps.

What day/time do you think EPA may be onsite? I am going to be in that area tomorrow afternoon or Thursday morning to inspect things as well.

John

Everyone,

Does anyone have a cell phone number for John or Terry Horton? We are going to maybe try to inspect the site sometime this week.
